MCA PRESENTS MOTOWN LIKE YOU'VE NEVER SEEN IT BEFORE.

The Motown Sound® never looked so good as it does on Motown® Video Originals from MCA. This unique series of four new exciting videos recaptures the sights and sounds of three decades. With all your favorite Motown artists including Marvin Gaye, Diana Ross, Stevie Wonder, Smokey Robinson and more. Hear them on:

MOTOWN TIME CAPSULE - THE 60's: A stunning video tour through one of the most exciting decades in history fused with the classic sounds of Motown.

MOTOWN'S MUSTANG: It's a classic 1964 mustang convertible, 11 top Motown® hits and a great story to top it off.

MOTOWN TIME CAPSULE - THE 70's: Includes everything from the women's movement to Watergate with the unforgettable Motown sound.

The fourth in the series is THE LAST RADIO STATION. Coming soon, a video fable about the last night of the last audio-only radio station.

Turn up your VCR to Motown Video Originals. The sights and sounds of a generation for every generation.

Dwight Yoakam doesn't fool around. His first single, "Honky Tonk Man," went to No. 1 on the Cashbox country chart. That's the first No. 1 debut single in six years (Alabama did it then). March 22, he made the cover of Cashbox. This week, Dwight Yoakam's first album, Guitars, Cadillacs, Etc., Etc., is No. 1 on the Billboard country chart. Dwight Yoakam makes music that's real country, no fat and plenty of fire. He knew all along if people had a chance to hear him, he could go all the way. Dwight was right.

On Reprise records, cassettes and, soon, Compact Discs.

Laser Music™

Compact Disc Sound
With Unparalleled Range And Clarity.

- Today's Best Location Opener
- Increase Profits at Prime Locations—Three Plays for $1, Eighteen for $5
- 45 RPM Hits are Already on CDs
- 600-Plus Song Titles on 60 Different Compact Discs
- Artist-Oriented Menu Format for Quick, Easy Selections
Seeburg’s Compact Disc

Maintenance-Free, CD Technology

Seeburg’s "Laser Music™" system laser-reads digital light impulses, translates them into analog signals and then into music. This new music system delivers immense dynamic range and starting clarity. Record manufacturer's commitment to consumer demand guarantees compact disc availability.

No stylus or magnetic head touches the disc's coated surface... eliminating scratches, static, hiss and other tape deck/turntable-related problems. Pure music reproduction during every play. Many money-making options available.

More Overplay.

Seeburg’s "Laser Music™" system allows patrons to select/play an entire disc or individual song titles. For $5, patrons can play a disc and still have play credits for additional song titles. Disc selection, by artist, is as easy as turning the pages of a book. System also features a programmable artist/patron monopoly restriction format.

More Dollars!

The "Laser Music™" bill validator accepts $1, $2 and $5 bills, eliminating tedious coin counting.

Easy Rotation!

Single key entry and removable magazine and title cover holder facilitate disc installation and changes.

Super Location Opener!

There hasn't been a more attractive location opener since the advent of 45's. Patrons can now preview future purchases, and industry experts estimate that compact discs will total 50% of recorded music purchases within five years. "One-stops" are already stocking thousands of titles. Can you find a better location opener?

Title Cover Holder
Provides Easy Servicing—No Title Strip Problems

Power Mosfet Stereo Amplifier Provides 200 Peak Watts per Channel
