

Radio station with a big pizzarating...

If the number of pizza pies it sells is not the measure of a radio station, don't tell Caniglia's Pizza House, Omaha. This restaurant-bakery is about to build another addition, fourth in a series of expansions at least partly attributable to one spot a day on Omaha's KOWH. This has been virtually all of Caniglia's advertising.

KOWH whets Omaha appetites for pizza with the same success attained for many other national, regional and local advertisers. Something would be amiss if it didn't, because much of the time KOWH is talking to more people than all the other stations put together. Operating within a format of top tunes and unexcelled local news, KOWH's air personalities out-Hooper everything else in Omaha in every single daily quarter hour save three. Average share of audience: A.M.—46%; afternoon—49.3%; all-day—48%. (July-August Hooper Monday through Saturday, 8 a.m. to 6 p.m.) Second station: 16.8%; third station, 11.3%.

KOWH has dominated Omaha radio, with first place ratings, for the past three years without a break.
