## NEW ORLEANS and MONEY TOO! IMMEDIATE OPENING

Seldom such an opportunity for a disc jockey interested in this unusual city. We need a top man, who has a good personality, and is also a top straight announcer. Our man is no screwball and realizes "off beat" music attracts only a minority audience. He will follow our music policy because he likes it. Salary open, but will be good, although not in the really "big money." We'll be honest. WTIX is top-rated New Orleans station, programming music and news 24 hours daily, 7 days a week.
