This picture was taken after my ninth year behind a microphone. Radio is not too wearing on a man, but there are those times while taking a second gulp at the watercooler, you hear the words "now back to your announcer"—or the sudden strange feeling when a slow speed transcription switches away at a devilish 78 RPM speed. Seriously—Radio has been good to me and I've been good to radio but I do want to enter the TV phase to broaden my experience in the communications field. Interviewing and news reporting are my specialties and selling a product comes naturally. A film, resume, pictures and letters of recommendation are yours for the asking. Contact Bruce Parsons, WCTC, New Brunswick, New Jersey. Telephone-Charter 7-1452 (6:00-PM to midnight). During day-call-South Orange 2-5912.
