Processing line

■ Notice is hereby given, pursuant to Sec. 1.354(c) of Commission Rules, that on Sept. 5, 1961, standard broadcast applications listed below will be considered as ready and available for processing, and that pursuant to Sec. 1.106(b) (1) and Sec. 1.361 (b) of Commission Rules, application, in order to be considered with any application appearing on below list or with any other application on file by close of business on Sept. 1, 1961 which involves conflict necessitating hearing with application on this list, must be substantially complete and tendered for filing at offices of commission in Washington, D. C. by whichever date is earlier: (a) close of business on September 1, 1961 or (b) earlier effective cut-off date which listed application or any other conflicting application may have by virtue of conflicts necessitating hearing with applications appearing on previous lists.

Attention of any part in interest desiring to file pleadings concerning any pending standard broadcast application pursuant to Sec. 309(d) (1) of Communications Act of 1934, as amended, is directed to Sec. 1.359(f) of Commission Rules for provisions governing time of filing and other requirements relating to such pleadings. Ann. July 28.

AMENDED RULES ON LOCAL NOTICES

■ The amended text of Secs. 1.359 and 1.362 of FCC's rules concerning local notice requirements (BROADCASTING, July 31):

1. In § 1.359, paragraph (c) is amended, paragraph (d) is redesignated as paragraph (g), paragraph (e) is amended and redesignated as paragraph (h), paragraphs (f), (g), and (h) are redesignated as paragraphs (i), (j), and (k), and new paragraphs (d), (e), and (f) are added, as follows:

§ 1.359 Pre-grant procedures

(c) Except as provided in paragraph (e) of this section, an applicant filing any application or an amendment thereto, which is subject to the provisions of this section (except for applications for stations in the international broadcast service and for television translator stations) shall cause to be published a notice of such filing as follows: Notice shall be published at least twice a week for the two weeks immediately following the tendering for filing of such application or amendment, or at least twice a week for the two weeks immediately following notification by the commission pursuant to SS 1.354, 1.355, 1.356, 1.357, or 1.358, in a daily newspaper of general circulation published in the community in which the station is located or proposed to be located; provided, however, that if there is no such daily newspaper published in the community, the notice shall be published as follows:

(1) If one or more weekly newspapers of general circulation are published in the community in which the station is located or proposed to be located, notice shall be

published in such a weekly newspaper once a week for the three weeks immediately following the tendering for filing of such application or amendment, or once a week for the three weeks immediately following notification by the commission pursuant to SS 1.354, 1.355, 1.356, 1.357, or 1.358.

(2) If no weekly newspaper of general circulation is published in the community in which the station is located or proposed to be located, notice shall be published at least twice a week for the two weeks immediately following the tendering for filing of such application or amendment, or at least twice a week for the two weeks immediately following notification by the commission pursuant to SS 1.354, 1.355, 1.356, 1.357, or 1.358, in the daily newspaper having the greatest general circulation in the community in which the station is located or proposed to be located;

and provided further, that in the case of an application for a permit pursuant to Section 325(b) of the Communications Act, the notice shall be published at least twice a week for the two weeks immediately following the tendering for filing of such application, or at least twice a week for the two weeks immediately following notification by the commission pursuant to SS 1.354, 1.355, 1.356, 1.357, or 1.358, in a daily newspaper of general circulation in the largest city in the principal area to be served in the United States by the foreign radio broadcast station.

(d) If the application seeks modification, assignment, transfer, or renewal of an operating broadcast station, the applicant shall,
